Brushes for watercolor are softer for a more fluid paint. Try a starter set to experiment with different brushes. A good #8 round red sable watercolor brush is very useful. Otherwise, buy the best synthetic brushes you can afford. A #4 round for detail, a flat 2" brush for washes, and an angled flat should get you off to a good start.

For beginners, the first strategy one often figures out is to place your checkers on the edge of the board. This seems like a reasonable Checkers strategy because your pieces on the edge cannot be captured. But as it turns out, while this may be a tempting strategy in your first games, pushing your checkers to the edges is a mistake.

Building connections with your students and their families aren't always at the top of your teaching to-do list, but it must be. Children with strong home-to-school connections thrive at school, and as preschool teachers, we can lay the foundation for a positive school experience for our students by making this a priority.
