D. H. Lawrence - Wikipedia

One of the places most indelibly associated with D. H. Lawrence is Italy, including the island of Sicily, where Lawrence was resident between 1920 and 1922, following a difficult First World War (during which he was accused of being a German spy; it didn't help that he'd fled England with Frieda von Richtofen, distant relation of the infamous Red Baron) and, like Keats and other consumptives before him, in an attempt to find a more salubrious climate to lessen the symptoms of his tuberculosis.

12 Throughout his journey Lawrence is in search of an Italian primitiveness, and the Italians are stereotypically seen as an innocent people, in contrast to the English, who are slaves to modernity. Yet the book ends with Lawrence's bitter considerations about the advance of "machine life" and the loss of all primitiveness:
