This is one of THE BEST books on Excel 2007! I've compared this book to the following: Excel 2007 the Missing Manual & Excel 2007 Beyond the Manual. I found that the Bible version to be not only a good overview of the changes in Excel 2007, but also a guide that explores the many uses and possibilities of using the program.

Excel 2007 Bible book by John Walkenbach

This book is for Excel 2007 not the earlier versions. I found this book to have clear and complete coverage of Excel 2007. Very easy to follow information and very complete. Written for beginners to advanced users. AS noted by other reviewers though the print quality is somewhat faded but still
