Indiegogo is your destination for clever innovations in tech, design, and more, often with special perks and pricing for early adopters. Back a campaign, share your ideas and feedback with the project team - and join the risks and rewards of bringing new products to life.

Crowdfund Innovations & Support Entrepreneurs | Indiegogo

Coosno also has Google assistant built-in. Using simple voice commands, you have access to virtually any information instantly. Enjoy Spotify or other streaming services, set your calendar, control lighting and smart home features, check the weather, order food, set reminders, and more.

Coosno, the Smart Coffee Table Redefined | Indiegogo

This is a very similar site to Kickstarter, with one key difference. Kickstarter releases funds only after the campaign reaches its funding goal while Indiegogo will let you choose to receive funding as it comes in. So, if you need the money to get started right away on whatever project you want to be funded, this might be the site for you. 9.
