Why move your turned parts to a mill for secondary operations when you can machine them complete on a Haas lathe with the BMT65 Turret and Live Tooling? The BMT65 Turret and Live Tooling are standard on Haas Y-Axis lathes (ST-20Y through ST-35Y), and optional on non Y-axis models.

On the ST you will see right away HAAS made a huge change in the way the machine is set up, the tail stock rides on a bed pretty much like a manual lathe and the turret is smaller in diameter but much more beefy.
