Hands On Name 1 1

When you write your first name, you use one hand. But when you type it on a standard QWERTY keyboard, chances are you need to use both hands--even if your name is a short as Emma, Gus or Ty. Have you ever wondered which names can be touch-typed with one hand only? Here are all the one-handed names I know of:

Hands-on definition and meaning | Collins English Dictionary

Breguet hands. Some brands will call these pudically 'pomme' (apple in French – because of their distinctive round hoop near the tip) but to us we think of them as Breguet hands, although Breguet has left such an indelible imprint on watch making to the point that many watch parts are best known by his name (numerals, overcoil, etc.) and of course the hands.
