Japan Transformed Political Change And

Japan Transformed explores the historical, political, and economic forces that led to the country's recent evolution, and looks at the consequences for Japan's citizens and global neighbors. The book examines Japanese history, illustrating the country's multiple transformations over the centuries, and then focuses on the critical and inexorable advance of economic globalization.

Japan Transformed: Political Change and Economic ...

From the Back Cover " Japan Transformed offers a crisply written and insightful analysis of Japan's most recent 'Meiji moment'--the 1994 electoral reforms. As did the earlier and more famous events of 1868, the 1994 reforms sparked profound and interrelated changes, opening both the economy and politics to new competitive forces and incentives.

Japan Transformed: Political Change and Economic ...

Japan Transformed. Book Description: With little domestic fanfare and even less attention internationally, Japan has been reinventing itself since the 1990s, dramatically changing its political economy, from one managed by regulations to one with a neoliberal orientation. Rebuilding from the economic misfortunes of its recent past, the country retains a formidable economy and its political system is healthier than at any time in its history.
