Identifying the Continents & Oceans of the World | Study.com

Ocean Zones. The ocean unit study began with learning more about the five layers of the ocean (also known as Ocean Zones). We started learning about this last year with this amazing Marine Biology Unit Study. I've included colored labels for you to enjoy this activity with your kids. The amazing thing about the ocean is that some creatures and organisms live in each of the zones. In our homeschooling, we get a lot of use from mason jars. I suggest every homeschooler or teacher keep a case ...
