Aimee Friedman's SEA CHANGE is the quintessential summer beach read that features a big mystery and a dash of romance. I have mixed feelings regarding Miranda, the main character. At times, I found her actions to be inconsistent and unwarranted, but, then again, she is only 16 and there's a lot going on in her life.

Aimee Friedman's Sea Change came highly recommended by Juju of Tales of whimsy... and is filled to the brim with sea tales, folklore, a little bit of magic — and plenty of mystery. Miranda is a young woman firmly rooted in logic and practicality; an ace science student, she has no time for literature or anything science can't explain.

Sea Change By Aimee Friedman - Cuitan Dokter

Sea Change has all the makings of a perfect summer read: an idyllic, wonderfully descriptive location, a lush romance, and plenty of secrets to keep the reader turning pages. The exposition of the novel is slightly bumpy, but the rest of the book flows quite smoothly as Miranda discovers that there's more to her family and the island than she anticipated.
