Article 223-1 of the AMF General Regulation Download the document 2015 AMF study on programmes set up by listed companies to communicate with individual shareholders

Doctrine - AMF

The study consisted in the analysis of more than 34,000 French or foreign funds distributed in France including employee investment funds (Fonds communs de placement en entreprise - FCPE) over a 10-year period between 2008 and 2017. The AMF makes the following observations regarding the total expense ratio (TER) and net performance:

The AMF publishes a study on the costs and performances of ...

The released study, the product of combined work by the AMF & the Banque de France, first describes the different tools authorized under the existing regulatory framework in France. Secondly, the study checks which tools are actually available to fund managers, thanks to an original textual analysis computer program which was run, scanning about 9,800 prospectuses.

The AMF releases a study on liquidity management tools and ...

Every time an employer prepares an application for authorization of probationary period or modification of probationary period (including extension of the probationary certificate and change in supervisor), all supervisors involved must review the application and fill out the approval of supervision. The AMF will then confirm the start date of the probationary period when it issues the ...
