The Golden Theme How To

“The Golden Theme” by Brian McDonald is perhaps one of the truest books on writing I have ever read. It showcases some very simple topics that will help improve your writing tremendously: Good writing is true writing. In order to be a compelling author you must be honest with yourself. All stories are those of survival.

Amazon.com: The Golden Theme: How to make your writing ...

The Golden Theme offered several thought provoking ideas which I will indeed keep in mind as I continue to work on my novel. Books of this genre can only help a writer better their storytelling. I love to read these kinds of books, to hear an accomplished authors take on the art of creating a story that others truly want to read.
