Air Filters | Acura Automotive Parts

Your Acura probably contains two varieties of original air filters. One is found with the engine and keeps it running at its best. Other genuine air filters are typically found in the glove box of your Acura. These are called cabin air filters. Both of these should be changed regularly, as outlined by your owner's manual.

Affordable Acura Air Filters Online | My Acura Parts

Changing out your vehicle's air filters at regular intervals is something that you need to do to ensure that other components don't malfunction or break. Depending on where you live, you might have to replace your Acura's air filter more frequently. If you live in a dusty area, for example, you might want to change it out more often, as it is probably collecting more debris than somewhere less ...
