answers 1. By the word of God. 2.The creation account requires faith in the word of God, and those who would believe must become as little children, with a simple faith. 3. It means that every kind was created with the genetic capability of producing variations. 4.

Complete Genesis Study Guide - Growing Christians Ministries

A comparable genetic sequence in each alien has been identified in the genes that code for eye growth. This genetic sequence has allowed the aliens to be divided into six groups, with the single-tail, three-eye group split in half. The geneticists also studied several outgroup species (not shown) to compile a likely ancestral DNA sequence.
