One of my handsets has suddenly started saying no link to base. It says please check base but base is fine and second handset is fine. I have tried re-registering it but that doesn't work and it won't let me deregister as it says no link to base. Has anyone had this problem and, if so, how did y...

### Solved: one of my handsets has started saying no link ... - BT

Yesterday I suddenly found that a cordless phone that I had used for years lost its dial tone, I could not make or receive calls. When I dialled a number I heard the usual number tones then nothing. I tried phone without filter, without powerline, direct into the hub. No luck. I changed batteries then used a different phone, same problem.
