Chapter 5

1. Read Chapter 5 of Marsh and Willis. Look for the big picture. For example, don't get bogged down in the minute differences between the Growth-System-Action Model and the Organizational Developmental Model. 2. Read the Key Discussion Questions. Number the questions from 1-7 according to your perception of the pressing importance of each question. Number 1 should be your selection of the most important question down to number 7, the least important.
