Drugmaker Merck asked U.S. regulators Monday to authorize its pill against COVID-19 in what would add an entirely new and easy-to-use weapon to the world's arsenal against the pandemic.

Merck asks FDA to authorize first anti-COVID pill - WWAY TV

'The Shadow out of Time' by H. P. Lovecraft. I. After twenty-two years of nightmare and terror, saved only by a desperate conviction of the mythical source of certain impressions, I am unwilling to vouch for the truth of that which I think I found in Western Australia on the night of July 17-18, 1935.

Coordinates operational sustainment support to optimize delivery of sustainment effects in the XVIII Airborne Corps and NORTHCOM area of operations to support emergent, global contingencies and ongoing named operations. On order, deploys into an AO/JOA in order to achieve expeditionary operational reach in support of an Army Service Component Command (ASCC) or Joint Task Force (JTF).

3rd Expeditionary Sustainment Command :: Fort Bragg

The Breezing Up (A Fair Wind) was completed during the centennial year of the country and became the most beloved and well-known artistic work in America. The painting portrays what a breezy day on coastal waters looks like. He achieved it with unique light-handed brushing techniques to complete the image in vibrant colors, detail, and shadowing.

A wind farm or wind park, also called a wind power station or wind power plant, is a group of wind turbines in the same location used to produce electricity. Wind farms vary in size from a small number of turbines to several hundred wind turbines covering an extensive area. Wind farms can be either onshore or offshore.
