It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Judo (柔道, lit. "gentle way") is a system of unarmed combat, modern Japanese martial art and Olympic sport (since 1964). Judo was created in 1882 by Jigoro Kano (嘉納治五郎) as an eclectic martial art, distinguishing itself from its predecessors (primarily Tenjin Shinyo-ryu jujutsu and Kitō-ryū jujutsu) due to an emphasis on "randori" (乱取り, lit. free sparring) instead of "kata ...

In martial arts and combat sports, stand-up fighting is hand-to-hand combat between opponents in a standing position, as distinguished from ground fighting. Clinch fighting is stand-up grappling. Fighters employ striking, including striking combinations, using either body parts or mêlée weapons, to incapacitate or injure the opponent. Combatants use blocking techniques to block the opponent's ...

Even better, it created one of the most utilitarian martial arts available. The five styles represented here are Karate (Ka), Judo (Ju), Kendo (Ken), Boxing (Bo), and some Jiu Jitsu, which didn't go into the name. The intent was, literally, to create a street fighting martial art specifically for dirty brawling.
