There are over 58,000 free Kindle books that you can download at Project Gutenberg. Use the search box to find a specific book or browse through the detailed categories to find your next great read. You can also view the free Kindle books here by top downloads or recently added.

Garmin Gps 496 User Manual

Okay, so that out of the way, using a Garmin product is like using 15 year old cellphone technology. It's the Blackberry that ignored innovation in key areas of user experience such as web browsing, excellent cameras, etc. And while duh, that's not what the GPS is supposed to do, I still say there's ample room for user experience improvement.
