theory that a state has the right to nullify, or invalidate, any federal laws which that state has deemed unconstitutional with respect to the United States Constitution (as opposed to the state's own constitution). The theory of nullification has never been legally upheld by federal courts.

## **Nullification (U.S. Constitution) - Wikipedia**

The nullification crisis was a United States sectional political crisis in 1832–33, during the presidency of Andrew Jackson, which involved a confrontation between the state of South Carolina and the federal government. It ensued after South Carolina declared the federal Tariffs of 1828 and 1832 unconstitutional and therefore null and void within the sovereign boundaries of the state.
