Perfect Competitive English By V

In economics, competition is a scenario where different economic firms are in contention to obtain goods that are limited by varying the elements of the marketing mix: price, product, promotion and place. In classical economic thought, competition causes commercial firms to develop new products, services and technologies, which would give consumers greater selection and better products.

Competition (economics) - Wikipedia

Perfect is a 1985 American romantic drama film directed by James Bridges and distributed by Columbia Pictures. It was written by Aaron Latham and James Bridges and is based on a series of articles that appeared in Rolling Stone magazine in the late 1970s, chronicling the popularity of Los Angeles health clubs among single people. Its story follows journalist Adam Lawrence, who is assigned to ...
