## **Introduction**

**Pictorial Composition:**

An Introduction. A painting's technique, color, and perspective may all be excellent, yet the painting will fail unless its composition succeeds. Composition is the harmonious arranging of the component parts of a work of art into a unified whole.

Introduction  
Composition is the most important aspect of painting; you can have great anatomy, brushwork, and color and if your composition is faulty the piece falls apart, whereas with a great composition, the rest just falls into place, and for the most part, mistakes are forgiven. So this is a great book on composition.
