The Sharper Image Literati 7-in. eReader I didn't know what to expect. This is my first ereader. Not bad for a new person. Once it was fully charged and I got all the essentials loaded on my computer, (Kobo, Barnes and Noble, etc) I was good to go. The only problem I seem to have is that it doesn't hold a charge very long.

Comments about The Sharper Image  
The Sharper Image Literati Wireless  
Reader: We've been on the market for  
awhile looking for an ereader for our  
whole family to use. This one is a great  
value and still has all the features we  
were looking for. The variety of books to  
download is endless.

## Read Free Sharper Image Literati Wireless Reader Manual

ebook reader. That's not necessarily a knock on the device; that's how it was designed to be. While its elongated design somewhat resembles the Augen eReader, it is in no way like that device. The Literati is not a multi-purpose ereader/tablet hybrid. It does not have a web browser or video player or even an audio player. It is solely an ebook reader.

### **Literati Review - A Color eBook Reader From Sharper Image**

The mental leap demanded by the Literati is just too great. (Or at least, we're hoping that psychedelic psychosis explains all the negative reviews the Literati got last year.) The important thing is to remember that you're a living organism on this planet, and you're very safe. You've just taken a heavy dose of the Sharper Image Literati.

Just bought the Literati for my wife who is an avid book reader. This review is based on the 1.9 Firmware update released 12/3/10. Pros: - Color screen is clear and bright - Fast (page turns, keyboard usage, configuration changes, etc.) - Page turn touch-sensitive controls - Reads ePubs (available through our local library) and PDF (including color); can convert many other formats with 3rd ...
