(PDF) THE UNDERCOVER ECONOMIST BY TIM HARFORD | Binyam ...

The concept of Harford as an “undercover economist” is the only area that doesn’t live up to the promise. Sure there are times when he uses the idea to explain why things are as they are from an economist’s point of view - notably looking at coffee prices - but while there are times when it is a useful device, for much of the book the undercover concept is a bit spurious.
